## **WATERWOOD II RESTRICTIVE COVENANTS AND CONDITIONS**

WHEREAS, ELLSWORTH, INC., a Florida corporation, is the former Owner of the following described real property in Polk County, Florida, described as:

Lots 1-84, inclusive, WATERWOOD ADDITION  
SUBDIVISION, as per the Plat thereof recorded in Plat Book  
68, Pages 24 and 25, Public Records of Polk County,  
Florida.

WHEREAS, the former Owner of said real property desired to impose restrictive covenants and conditions on said real property for the benefit of subsequent grantees, which restrictive covenants and conditions shall be deemed to be covenants and conditions running with the land, and whereas the former Owner has subsequently conveyed said real property to the property owners of the Waterwood Addition Subdivision and said current property owners desire the continuance of these restrictive covenants and conditions, and

WHEREAS the restrictive covenants and restrictions are recorded in Polk County, Florida OR Book 1879, Pages 2148-2151 and amended restrictive covenants and conditions are recorded in Polk County, Florida OR Book 2006, Pages 558-559, and OR Book 2172, Pages 2052-2054, and

WHEREAS the property owners of the Waterwood Addition Subdivision desire to amend and extend the restrictive covenants and conditions, it is then the intent of the property owners to amend and extend the restrictive covenants and conditions as follows:

NOW, THEREFORE, the following restrictive covenants and conditions are hereby imposed upon each lot as described hereinabove; the breach of which shall not give rise to a possibility of reverter or right of entry for condition broken on the part of the Waterwood II Property Owner's Association, Inc. but shall entitle any record owner of any one lot hereinabove described to proceed with legal action to prevent the furtherance of any breach of said restrictive covenants and conditions and/or for damages resulting from said breach. Failure to enforce in whole or in part any of said restrictive covenants or conditions for any length of time shall not estop any party so entitled from enforcing same. Further, invalidation of any one or any part of one of these restrictive covenants and conditions by Judgment or Order of Court will in no way affect any of the other restrictive covenants or conditions herein set out, and such other restrictive covenants or conditions shall remain in full force and effect.

1. Each lot shall be used expressly and exclusively for a single-family, private residence purposes.

2. No business activity shall be conducted or carried on in connection with the residential usage of any one lot or parcel. Further, no signs of any character may be exhibited or displayed upon any lot or the improvements thereon except one (1) sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder during the period of improvement construction, or a sign of a reasonable display area identifying the owner of the single-family dwelling house.

3. No lot may contain more than (1) single-family dwelling house. Each single-family dwelling house may not exceed two stories in height nor contain less than a minimum of 1,600 square feet. All square footage shall be measured by outside dimensions, exclusive of garages, screened or unscreened porches and covered walkways, breezeways and approaches.

4. Each single-family dwelling house shall contain a minimum of a standard double-car garage which shall be enclosed with a conventional width and proper movable door for ingress and egress purposes. Each garage shall be properly enclosed and architecturally integrated as a part or as an extension of the dwelling unit and attached to the dwelling unit to conform architecturally therewith. Each garage shall furthermore maintain an operable and movable door(s), and will maintain its outward appearance as a functional garage. The driveway from each garage to the public street right-of-way adjacent to each lot need not be paved; however, said driveway shall be in keeping with other driveways in the Subdivision and shall be maintained by the dwelling unit owner so as not to degrade the value of the dwelling unit or adjacent properties. No driveway shall be constructed from Lots 1-16, inclusive, or Lot 84 to Boy Scout Ranch Road and no vehicular or pedestrian ingress and egress shall be allowed directly from these lots to that road.

5. All construction, repair, and/or modifications shall utilize new building materials. No used buildings or structures shall be moved onto any lot; nor shall there be any storage of building supplies on any lot unless used in immediate construction. The exterior of any building or structure shall be properly finished by painting, stucco, brick, wood- treatment, or other similar treatment and in keeping with other residences in the subdivision. If any storage sheds, detached buildings, or other structures are placed onto a lot, such structures shall only be placed to the rear of the principal residential structure, shall be covered structures, and must be properly finished in the aforementioned manner. No portion of the shed, detached building, or other structure shall abut any further than the rear wall of the principal residential structure.

6. No tent, garage, outbuilding or attachment shall be erected on any lot prior to construction of the main dwelling house; and none shall be used as a residence, either temporary or permanent.

7. Each house shall be built on a lot so as to face for front-yard purposes the lot line having the shortest frontage along a public road right-of-way; however, no house shall be built facing Boy Scout Ranch Road. No part or portion of any single-family dwelling house, garage, or outbuilding on any lot shall be erected (for front-yard purposes) closer than 35 feet from any public road right of way nor closer than 10 feet from any side yard property line nor closer than 35 feet from any rear yard property line. All walls, fencing, or hedging along or near the boundary line of any lot shall be erected, constructed or grown in such a manner so as to compliment the dwelling units in the neighborhood. Further, no wall, fence or hedge shall be constructed, placed, or grown in excess of four (4) feet in height above normal ground level within the minimum building

setback areas along the public roadways within the subdivision. In addition, there shall not be placed within the minimum building site setback areas along the public roadways in the subdivision security chain-link fencing.

8. All telephone and electrical services to any dwelling unit must be underground from the point of distribution to the dwelling unit. All outside aerials and antennas must be located in the rear yard and shall be reasonable in height. There shall be no permanent receptacles for garbage and/or trash located in the front yard of any lot, and all receptacles for garbage and trash shall be located as not to be visible from the front of the property.

9. All motor vehicles located on any lot shall carry a current year's license tag registration. No house-trailer shall be parked on any lot at any time. Additionally, there shall be no parking of any commercial vehicles or any trucks of any nature, other than pick-up trucks, vans or campers, upon a lot or the public road rights-of-way adjacent thereto; nor shall there be storing of vehicles upon any lot other than boats and boat-trailers which shall be stored either in the garage or on the rear of each lot. "Commercial vehicles" shall be defined to include, but not be limited to, the following: heavy machinery equipment, dump trucks, tractors and trailer rigs (either as one unit or separate units), vehicles having more than two axles on the road, vehicles not ordinarily used for personal transportation, and flatbed vehicles.

10. No livestock or poultry of any kind shall be raised, bred, or kept on any lot. Dogs, cats and other household pets may be kept on any lot provided that they are not maintained or bred for any commercial purpose and that proper restraint and control are used in the keeping of them.

11. No lot without a house constructed thereon shall be used for parking purposes nor shall any lot be used, without express written permission of the Waterwood II Property Owner's Association, Inc., for ingress, egress, utility and/or drainage purposes to adjacent properties.

12. No noxious activity or trade of any sort shall be carried on upon any lot; nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood; nor shall any use be made of any lot that will in any way inure the value of any adjoining lot or the surrounding property as a whole.

13. A. The North 140 feet of Lot 48 is hereby excepted from the effect and import of these Restrictions, inasmuch as ELLSWORTH, INC., the former Owner has granted and conveyed said North 140 feet of Lot 48 to the use and benefit of Waterwood II Property Owner's Association, Inc., a Florida corporation not for profit, and its membership, guests and/or invitees; the use of which shall be for recreation purposes and governed in accordance with its Articles of Association.
